

## Monthly Donations Process

1. Students share custom website with supporters.

2. Supporter selects monthly donation.

First Name \_\_\_\_\_  
Last Name \_\_\_\_\_  
Email \_\_\_\_\_  
Cc # \_\_\_\_\_

3. Supporter enters name, email address for receipts and credit card information on secure website.

4. RSF encrypts and transmits credit card info directly to 3rd party, PCI compliant credit card processor, where it is securely stored for monthly processing.

5. Every 30 days the card is charged \$10.

To: Supporter  
Thank you for donation!  
To cancel, reply or email  
support@readysetfund.us

6. Supporter receives email receipt monthly. Future payments may be cancelled anytime. Just reply to receipt or email support@readysetfund.us

# Definitions

- SSL Security Certificate – all information passing to and from the website is scrambled by 2048 bit encryption that's virtually unbreakable by hackers.
- PCI DSS Compliant – Payment Card Industry Data Security Standard ensures the industry standard measures are in place to protect identity and cardholder data. The PCI Standard is mandated by the card brands and administered by the Payment Card Industry Security Standards Council. The standard was created to increase controls around cardholder data to reduce credit card fraud.
